

## Important Notice for Broker/Dealers

### First Investors Funds are Now Available through DST Vision

We are pleased to announce that effective, January 2016, Investment Professionals and financial intermediaries can now access First Investors Fund information through the DST Vision website. This service will help in the managing of customer account balances and transaction histories without having to visit multiple web sites.

To signup for access to First Investors Funds on DST Vision, please visit the DST Vision website at:

[www.DSTVision.com](http://www.DSTVision.com)

Access to First Investors Fund account statements and tax forms will continue to be available for investment professionals through account access maintained at [www.forestersfinancial.com](http://www.forestersfinancial.com).

To sign up for account access on the Foresters Financial website, please visit our website at <https://www.forestersfinancial.com/investment-professional> and select the "[Need to register?](#)" hyperlink.
