

Important Notice for Broker/Dealers

First Investors Covered Call Strategy Fund

First Investors Covered Call Strategy Fund, the newest addition to our Family of Funds, will be available for purchase effective on or about April 1, 2016. The Fund is intended for investors who want the benefits of equity investing with a hedge against strong market downturns. The Fund invests in a portfolio of equity securities and writes (sells) call options on those securities. Ziegler Capital Management, LLC serves as subadviser of The First Investors Covered Call Strategy Fund.
